

Year Review

What were my biggest successes in 2019?

What did I complain the most about?

What felt like it took up my precious time?

When did I feel most focused?

When did I feel most productive?

What actually made me money?

What brought me the most joy?

What made me feel most peaceful?

What did I create this year?

When did I feel good? (when doing some task, creating something, gifting something, accomplishing something)

What were my biggest mindset overcomes...

What had the biggest return on investments?

What were the easiest ways I made money?

What were harder ways I made money?
